

ALTUM REJECTION REPORT

Patient Name: Bavathareni Karthik	Age/Sex: 28 years/F
Patient ID: 1002419019	Sample ID: 2400089193
Specimen Type: Product of conception	Received on: 12.05.2024
Referring Doctor: Dr.Indira Thirumurugan	Referring Centre: Lifeguard Hospital-Tirupur

Dear Doctor,

Thank you for referring the Product of conception sample of Mrs.Bavathareni Karthik for Altum test. DNA was extracted from the given specimen. However, the extracted DNA did not meet the requisite quality criteria to perform the assay (as confirmed with Gel Electrophoresis). Hence we are rejecting this sample for the test.

Therefore, the Altum test report cannot be provided for this sample.

Gel Electrophoresis
