Dr. Ishpreet K Biji
Sr. Scientific Officer

Dr. Madhavi Pusalkar
General Manager - Genomics

NOTE: Lilac Insights outsources tests not performed in-house to its referral centers. This test was outsourced to our outsource partner lab. The results are based on analysis performed at the outsource lab.

PRECAUTIONS: Although all precautions are taken during DNA tests, the currently available data indicate that the technical error rate of all types of DNA analysis is approximately 2%. It is important that all clinicians or persons requesting DNA diagnostic tests are aware of these data before acting upon these results.
